j'entends le bruit des ailes qui tombent - mypapercrush - un néant absolu sans passé, sans présent, sans futur. il avait parlé à des tueurs dans les yeux desquels il n'avait rien lu. le vide. le noir. un abîme. pas même une branche pourrie à laquelle s'accrocher. on plongeait en chute libre dans leur rétine et on ne s'arrêtait jamais, parce que le mal n'a pas de fond." new york. 1969.
